

Dear *Honored Hero*,

Thank you, from the bottom of our hearts, for your *Bravery*, *Courage* and *Commitment*, as you placed your life in harms way, against the enemy, to preserve *Freedom* and *Liberty*, for the United States of America.

It is with great pleasure that Tender Touch Ministries presents you with the *OpenARMs Honored Hero* gift. This small token of appreciation, is just our way of saying, *We Love You!*

We salute you *Honored Hero*. Greater love has no one than this: to lay down one's life for one's friends.
