

The VFW of Foreign Wars Post 6024 has 3 certified Service Officer's available to prepare VA disability claims for veterans and their spouses. They write the claims and the veteran only has to sign the doc's. This service is offered at no charge, and our Service Officer's are prohibited from taking any gratuity.

We assist veterans on how to get the documentation required to back up the claim they are submitting. This expedites the processing of the claim through the VA system.

Saddleback Church has provided us a private office, on Wednesday and Thursday for appointments with veterans and their spouse.
