# Homeless Families Count!

May 23, 24, and 25, 2017

Homeless Families Count! is an effort to assist families who are without shelter, sleeping on the streets, or sleeping in a car.

Families who connect with Homeless Families Count! help reduce the time families spend homeless.

The information you provide will help the agencies participating in Homeless Families Count! connect families to services and housing opportunities (as they become available). **Your family will receive a \$10 food gift card for participation.**
